WITH GRATITUDE . . .

A very special group of people at PHS have put out an effort to help students in extracurricular activities. They are the advisers. These are administrators, teachers, aides, and parents. There are not enough words to express just how grateful we are for all that they do. Throughout the year, the advisers have given up their time before and after school in order to supervise club meetings, give suggestions to better an event, and be there when needed. Many students do not realize just how much the advisors do, but without them, Pasadena High would be a school without spirit.

Thanks to these faculty members who care enough to donate their time to the students, Pasadena High has had a year of activities that were the greatest.

Considering the hard work they put forth to make this year a success, it is with gratitude that the yearbook staff dedicates Campus '82 to the advisers at Pasadena High School.

SENIORS . . .

are the most knowledgeable people about P.H.S. They are happy, fun-loving, always on time for class (pre-senioritis) and full of spirit. Seniors can often be seen reminiscing about the "good old days." Sayings like, "Whas' happnin'" and "Greaaaat" occasionally creep into their every-day lingo, just as a senior might be caught pediddleing a book. The class who originated long distance freshman throwing and is the bridge between the seventies and the eighties is presented here by Campus '82.

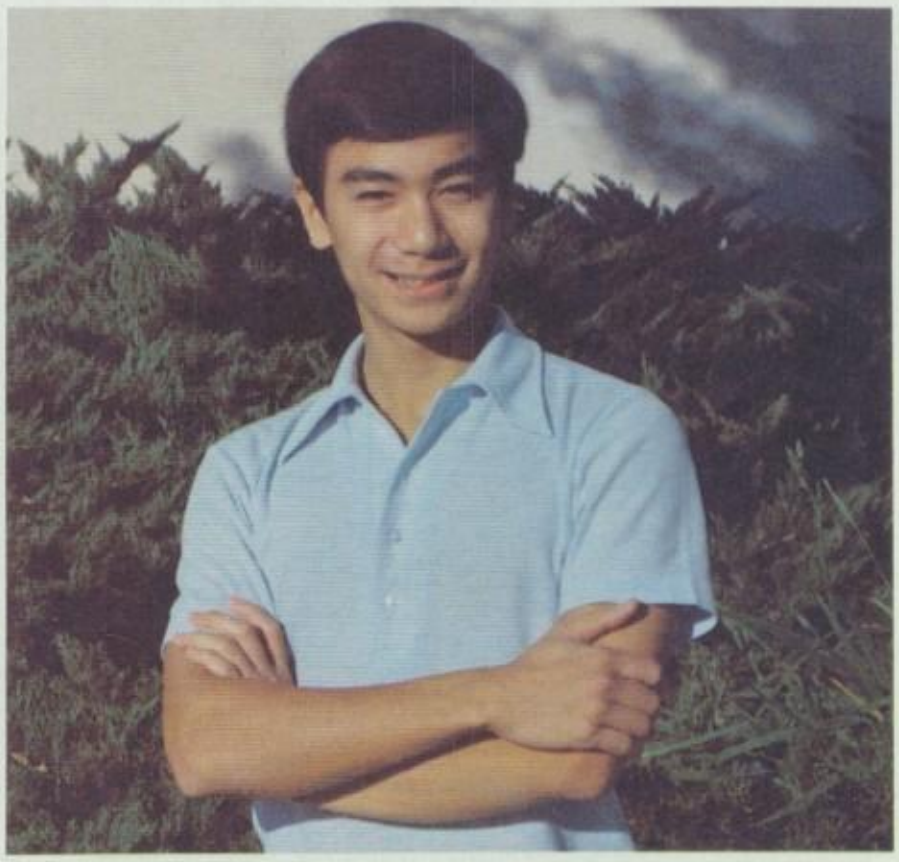
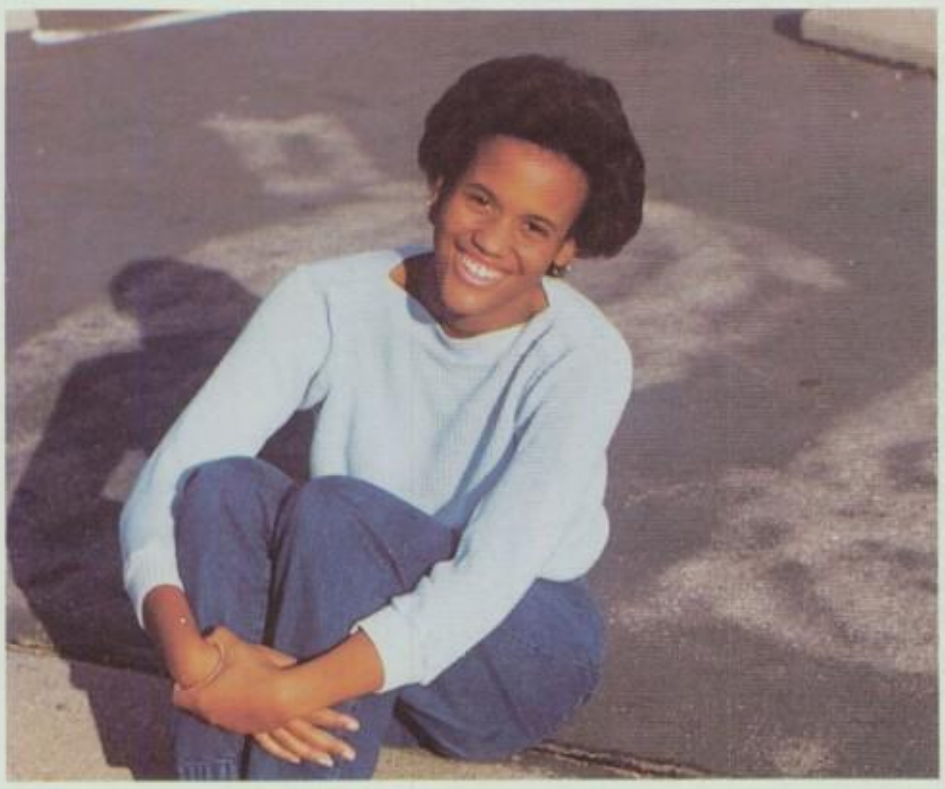
Our Fearless Leaders

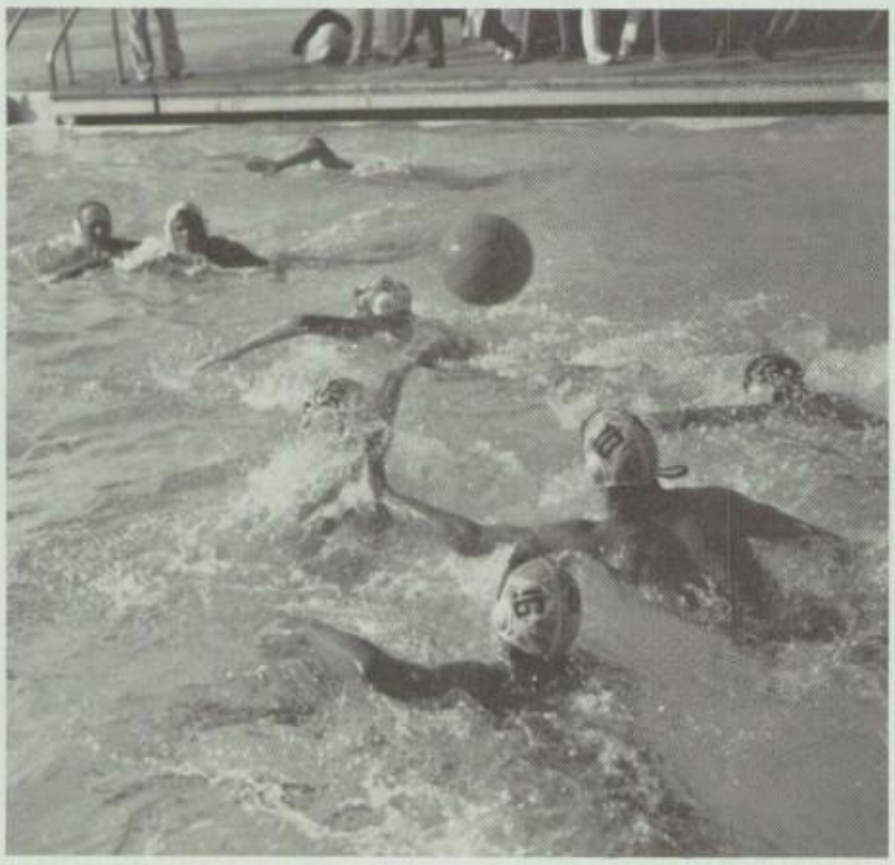




In the past four years PHS has had its share of leaders. Senior Class President Felice Sencer (who was also the Junior Class president and is in the top left corner) has spent hours of time and money to make this year's senior activities successful. Vice-President Toan Ngyuen (top right) assisted her on many fund-raisers. Graduating Sophomore Class President Greta Gilmore (middle left) brought spirit and excitement to the class of '82. Debra Shepard (middle right) contributed as Senior Class Treasurer and graduating Freshman Class secretary. The graduating Freshman Class President Dawna Frenchie (bottom left) started off the four years by holding many sales and brought new ideas to PHS.

FALL . . .

is that time of year when new freshmen are bumping into each other and the new seniors begin exercising their newly found authority. It is that time when everyone is looking forward to his brand new lunch tickets. Its the time when every student's locker is mysteriously vandalised, delaying the home reading assignments. Regardless, it is time to hit the books and not the beach. The end of fall brings excitement as the puddles begin collecting at the bottom of the stairways and it's finally time to wear those shiny new rain boots that uncle Joe sent from St. Paul.



Devastating-Well Maybe

The record of 5-5 seems unjust for this year's truly talented players. As the head coach, Tom Hamilton (pictured below), said, "This team was small but tough. The Bulldogs finally got it together and brought home the bell. QB Randy Issac (picture to the right) led the team to a 10-0 victory over John Muir, who was ranked third in CIF. (See pages 44 thru 47 for the Turkey Tussle game.)

Coach Hamilton finally stated, "These young men were more than a team; they were a family."

Band Strides for perfection

The Pasadena High School marching band and tall flags highlighted the home games this fall. The band is under the direction of James Arnwine and award-winning drum major Kevin Ramsey. This year the band competed in field tournaments and band reviews in West Covina, Chino and West Arcadia. True to the tradition of Pasadena, the band and tall flags marched on with a special kind of pride achieved through hours of work and dedication. The band and tall flags proudly represented Pasadena in their performance at Disneyland.

Homecoming 1981 was a warm and unforgettable day for Pasadena High. The football team was up for the game and gave Muir, a worthy opponent, a long hard fight. In the end the truth prevailed and the bell came home to PHS by a 10-0 shutout. Reigning over the days activities were (clockwise) her Majesty Cheryl Morris and her escort Marcus Burns, Princess Marlene Medina with Mario Harris, Princess Susan Jennings with Bill Furlong, Princess Jacqueline Daniels with Israel Carbajal, Princess Lucrecia Peregrina with Mario Galuppo, Princess Peggy Smith with Terron Newman, and Princess Jan Corbin with Stan Wijnhammer.

Varsity Football Stuns Muir

The Bulldogs literally shocked onlookers in the 28th annual Turkey Tussle meeting against crosstown rival John Muir on a Saturday afternoon in November. Muir, ranked second in the CIF Coastal Conference, was all but stunned by Pasadena's 10-0 shutout. PHS played virtually mistake-free football in what had to be the highlight of our season. The only touchdown scored was a 37 yarder by tailback Derrick Williams in the third quarter.

Second-year quarterback Randy Isaac had his best game of the year with the help of receivers Chris Hill and Donnell Braddock. Although it was a team effort, other players who contributed immensely at their respective positions were Hans Konrad, Milon Pitts, Roan McRae, Alvin Taylor, Dan Hunter, Eric Hampton, J.J. Jones and Hakim Baxter.

Parent, Teacher Student Tennis Tournament

Along with Homecoming festivities, the Student, Teacher and Parent Tennis Tournament was a highlight of November.

Mixed double teams were combined with either a parent or teacher and a student.

Condie Villalobos, a parent, and Peter Blackshaw defeated Aracelli Urbano and Mrs. Villalobos' husband, Bernie, in the championships. In the consolation Thelma Reyna and Tim Goodall defeated Ann Drury and Roy Ledochowski.

These Girls Have A Racquet

The girls' varsity and junior varsity tennis team had their share of let downs this season, but they still kept their pride and spirit. The junior varsity team, coached by Helen Hustedt, was led by Alcena Lanier and Elizabeth Ross. Raoul Munoz, the varsity coach, helped many players perfect their form and improve their performance. Two players who exemplified this were Roisin Courtney and Dante Truitt.

Sports Clubs Build Spirit

Girls' Tennis Club and Lettermen's Club, although somewhat unknown, were active at PHS this year. Tennis Club, led by Berni Villalobos, studied the fundamentals of tennis. Lettermen's Club (pictured on opposite page), though it held no meetings and didn't have a charter, was very much alive in spirit.

Varsity Water Polo Jams

"Throughout all the adversity this season, we played very well," said second-year coach Pat Lancaster.

Among the reasons for the team's improvement was the rugged schedule the team played. "Only four teams we played didn't make the playoffs," added the coach. Leaders included juniors Phillip Rouse and Joey Brennan.

Volleyball Serves It Up

The girls' varsity and junior varsity volleyball teams, coached by Carol DeVault and Irene Kosmetatos, had identical records of one and seven.

Led by Tami Hollinger on varsity and Maria Candela on junior varsity, both teams stuck together and showed great spirit.

Their best games were against Crescenta Valley for varsity and Arcadia for JV.

Flag, Song Girls Groove On Spirit

The '81-'82 flag girls and song girls, who attended pep camp in Santa Barbara last summer to prepare for the seasons, brought a lot of spirit to PHS. Both squads performed at pep rallies, assemblies and at games. Their energy was endless as they cheered us up in defeat and cheered us on to victory.

Spirit Back At PHS

Victory Squad

The victory squad at PHS cheered on the football team at all their games this year. Adviser Cecilia Ireland kept her girls busy with many practices during the week... The highlight of the year was the Turkey Tussle where the squad told John Muir, "They don't wanna' mess with us."

In their red and white baseball shirts, the group formed a great cheering section at basketball games too.

Tall Flags March On

The tall flags, under the direction of tall flag captain Whitney Haggins, started off a brilliant marching season with a second-place at United Spirit Association Tall Flag Camp. The corps performed with the band in halftime shows during the football season, as well as in competitions at Chino and West Covina for the halftime section and West Arcadia in parade. On the field the corps was featured in its routine "Artistry in Rhythm." Some of their best performances were at Chino and in the Rose Bowl where they received standing ovations.

Creativity Shared at PHS

For the intellectuals there were many outlets in which they could work together with others to achieve goals and have enjoyment.

One club, the Creative Writing Club, put out their annual Pandora's Box. The advisors were Thelma Reyna and Ann Drury.

Another such club, the Chess Club, under the direction of Jack Davis, worked together to improve their strategy. The club was a member of the San Gabriel Valley Chess League and ended its season in the top half.

A third club, Model U.N., under the direction of Pearlita Vorster, was organized to study international relations.

JV Football

The junior varsity football team, under the coaching of David White and assistant Randy Wiley, had very exciting wins over Brentwood and Alhambra. The leading players were Jeff Davis and Mark Holloway. Although they had a very upsetting season they showed a lot of class. Many of the players will make a great contribution to the future varsity football team.

Cabinet Expresses Student Thought

The ASB Cabinet had a busy first semester running student activities. The Cabinet promoted homecoming activities, including the second annual homecoming dance and Spirit Week.

Meetings were held twice a week, under the direction of Adviser Edmund Sutro. Even though they had a restricted budget, Cabinet members promoted bands and music at lunchtime. They also arranged more assemblies first semester than were presented all of last year.

CSF Serves and Honors

CSF started out with a bang this year, holding a very successful popcorn sale during registration. Along with having two more popcorn sales they raised funds by working in the school parking lot during the Rose Parade. They were also involved in tutoring, and provided scholarships, which were awarded at their annual banquet, which was the highlight of the year for CSF as usual.

WINTER . . .

is the non-spring, non-summer, non-fall season of the year. It is a time of rejoicing, which is usually painful the next morning. It is a time of giving and receiving, which after 4 ties, 2 boxes of Sees, and 5 calendars, can be the worst of it all. And then there's the Ski Club, half of whom have never seen snow outside of the postcards that the other half sent them after they painstakingly mastered the rope tow up the bunny slope. For the rest of the urbanites winter brings the heart-warming thought of fresh, tasty, scrumptious burritoes steaming at lunchtime.

Soccer Team Plays With Unity

Since no apparent superstars emerged from this year's JV and varsity soccer team, they had to rely on team Spirit and togetherness for success. Some of the key players for the varsity team were team captain Phillip Rouse and Rick Martinez. Jerry Chrikian, Nestor Robles, and Chi Ngo provided good plays for the JV team.

Service With a Smile

All high schools have service clubs and PHS is no exception. Three of PHS's service clubs, Student League, Aurora Service File and Z-Club, have been an enormous asset to the student body of PHS.

These clubs have sponsered activities such as the Slave Sale and Viewfinder's Court. In addition, they have given support and spirit to the school by selling pom-poms and buttons for games.

These groups have also aided the community by visiting rest homes and hospitals and work-with under-privileged children.

Ski Club Attacks The Slopes

The Ski Cub, led by Greg Kerrebrock, went on their yearly trip to Mammoth and June Mountain. The profits from their one fun-draiser, a candy sale, were used to lower the costs for the four-day trip over the semester break.

Although a large percentage of the club had never skied before, the more experienced members helped them learn quickly. The 60-member club, one of the largest on campus, had two major social events: A Christmas dinner-dance and a Ski Club night at Pasadena's New Ice House.

PHS goes to the Movies

PHS went movie crazy this year. It was common to hear lunchtime talk centered around movies. Students and faculty alike became moviegoers and movie critics. q A special group of students, who were movie fanatics, emerged from the crowd of normal film fans. They came in various sizes and were compelled to act out their favorite movies. Movie fanatics could be seen acting just about anywhere and at any time.

Bulldogs Triumph Again

For the twelfth consecutive year Pasadena's varsity basketball team captured the Pacific League crown. The Bulldogs' youthful squad, led by third-year coach Bill Duwe, had their problems early in the season, but came on strong during the second half. The only three lettermen returning for the '81-'82 season were senior Mark Laster, (who contributed immensely on the boards) junior center Kevin Morris and junior All-League guard Ivan Harris.

Sophomore Tony Brooks showed great promise at the forward position while seniors Arlon Moncrief and Michael Cox were strong forces for the cagers' attack and they ignited the team with their leadership. The Bulldogs' bench was one of the most powerful in the league, consisting of players such as Ed Mitchell, Marcus Burnes and Ian Story.

Choral Groups

PHS's two performing choral groups, Women's Ensemble and Chamber Singers, both had a very productive year. Along with giving many performances in the area, the groups put on a very successful Christmas Fiesta in the cafeteria.

On top of this, Chamber Singers also performed at one of the most reputed festivals in the country, the Chapman Festival. The Chamber Singers were one of nine high school choirs invited to the festival.

Dramatic Art

"The theater is where all the arts come together." Mr. Franco used this quote to explain the relevance of drama and dance. This year the drama class, under the expert direction of Abel Franco, often worked with Mrs. Sheppard's dance class. In combining their talents they used such props as traditional masks.

Since the class wrote and developed their own material, they got a chance to improve in other areas of drama besides the acting aspect.

The class also worked alot with pantomime, which developed their abilities to express themselves with their bodies.

One of the results of all this hard and creative work was the Americana "Willey and Hair Man."

Editor Gives Thanks

Heading the Chronicle, PHS' major student voice, has been a highly challenging and rewarding experience. I am grateful for our student body whose diversity has given the Chronicle purpose.

I would like to congratulate the staff for refining skills and meeting high standards. I also sincerely thank associate editor Bill "Fish" Fisher for his "keen wit" and advisor Ann Drury for her dedication and aversion to censorship.

Feature, Opinion And News Editors Speak Out.

Participation in the publication of the Chronicle was a rewarding experience for us. Although being a journalist sounds like all work and no play, there were fun times to be had throughout the entire year. -Pete Suh (News), Lewie Ford (Opinion), Steve Turrentine (Feature).

Spirit Kept Alive By Red & White & Sports Editors

We were a little worried about putting out beliveable sports coverage, but were generally pleased with the outcome. The lack of PHS sports teams almost made it a struggle to fill the pages. The Red & White started slowly but eventually produced a well written eight-page edition.

The PHS Mint Club promoted interest in stamp and coin collecting. Mint Club president Laurel Oppenheimer and adviser Dennis Hanson felt the club had a successful first year.

It's Not Just a Job . . .

The Work Experience and Regional Occupational Program gave PHS students the opportunity to enroll in classes and to learn more about career opportunities in various fields first-hand while earning credit towards graduation. Donald Proctor, with the help of Rachel Pastre, directed both programs successfully. Students in Work Experience took tests on their rights and duties as employees and were evaluated by their employers. ROP students generally received no pay, but soon after completing the course, they were offered paying positions or they used their new knowledge to secure a paying job.

Cultural Clubs Inspire Pride

Among the cultured clubs at PHS are MECHA and the Armenian Club.

Armenian Club, which came into being two years ago, was established to further cultural pride of the Armenian students. George Mooradian, as the adviser, helped these students to keep their cultral heritage alive.

MECHA, with adviser Abel Franco, succeeded in making Chicano pride and spirit greater on the campus and in community. Though they had many activities, they hope to give more service next year.

BSU

Black Students Union with dedicated leaders continued their efforts for a successful organization. Under the supervision of Art Large and president Roan McRae the members became more aware of the Black culture.

BSU encouraged students togetherness through their annual Martin Luther King production. They hope to give all students appreciation of Dr. King's dream for unity of all man kind.

Also, they put on a Christmas dance to raise money for the presention of this assembly and other functions for the community and campus. In addition for all their hard work, they will receive recognition and most will be awarded scholarships.

Faculty/Students Clash

The annual Student/Faculty Donkey Basketball Game was again sponsored by the instumental music groups. Teachers and students alike struggled with stubborn donkeys while trying to score or to defend their baskets. The outcome once again proved the superiority of youth over the well-seasoned faculty. The students defeated the faculty, 30-26.

Soph-Frosh Get the Ball Moving

The soph-frosh teams, soccer and basketball, played with the pride of Pasadena. The main goal of this year's soph-frosh soccer team was to improve themselves for future years. Under the direction of coach Ralph Bush, the young team played well as a result of hard practice, and loyalty.

Soph-frosh basketball, coached by Donald Guyton, excelled consistently throughout the year. With sophomores Jock White and Joe Richardson leading the way, the team had an exceptionally good season.

A New Sound at PHS

The UCLA Band added orchestra director Jim Arnwine to the PHS scene. Arnwine came to us in September and added the college sound to the PHS orchestra.

The orchestra members participated in the Winter Concert, and The West Side Story in addition to performing at many festivals.

Not only did the orchestra members participate in school activities, but some members auditioned for the Southern California Honor Orchestra and some made it.

Fund raising consisted of the orchestra members working in the booths at the float-viewing sight at New Year's.

Girls' Basketball

The girls' varsity and junior varsity basketball teams felt good about their seasons even though their records weren't as good as they had hoped. New coaches Dudley Stewart Jr. and Dudley Stewart III started the girls training during the summer, something the girls had never done before.

The JV's ended their season with an 8-8 record, but the varsity, though they had a pretty good pre-league record, ended league play with 1-9.

Orchesis Turns Half-Time to Show-Time

Orchesis (pictured on the opposite page and below) had a close relationship with their adviser Mary Sheppard (pictured to the left). Members had to show their ability to be imaginative in creating physical art and their skill in rhythmic and abstract movement. Performances included a Christmas show, the Martin Luther King assembly, a basketball half-time show and a spring concert. DEAN OF STUDENTS

SPRING . . .

is a boring, drawn out season that's made for students to forget that summer's coming. It is a basically non-functional season due to the increase in daydreaming. It's that time of year when every preppy joins the yacht club and department stores run low in LaCoste's and cashmere scarves. For everyone else the word spring reminds them of those metal coils that put a 5-inch bruise on their bums when they pop out from under the car seat.

"Westside Story"

West Side Story, a modern day Romeo and Juliet, was this years choice for the school musical. According to Carolyn Shannon, producer, and musical director, West Side Story was five times as hard as any musical PHS had done before. However, cast, crew and orchestra saw the difficulties and were very serious about what they were doing. The audience applause after each of the four performances bore out the success of these thespians.

Help Comes From Many Sectors

There were many groups on campus, including ASB Cabinet, Chronicle, and CSF, whose goal was to better serve the student body. UNDERCLASSMEN . . .

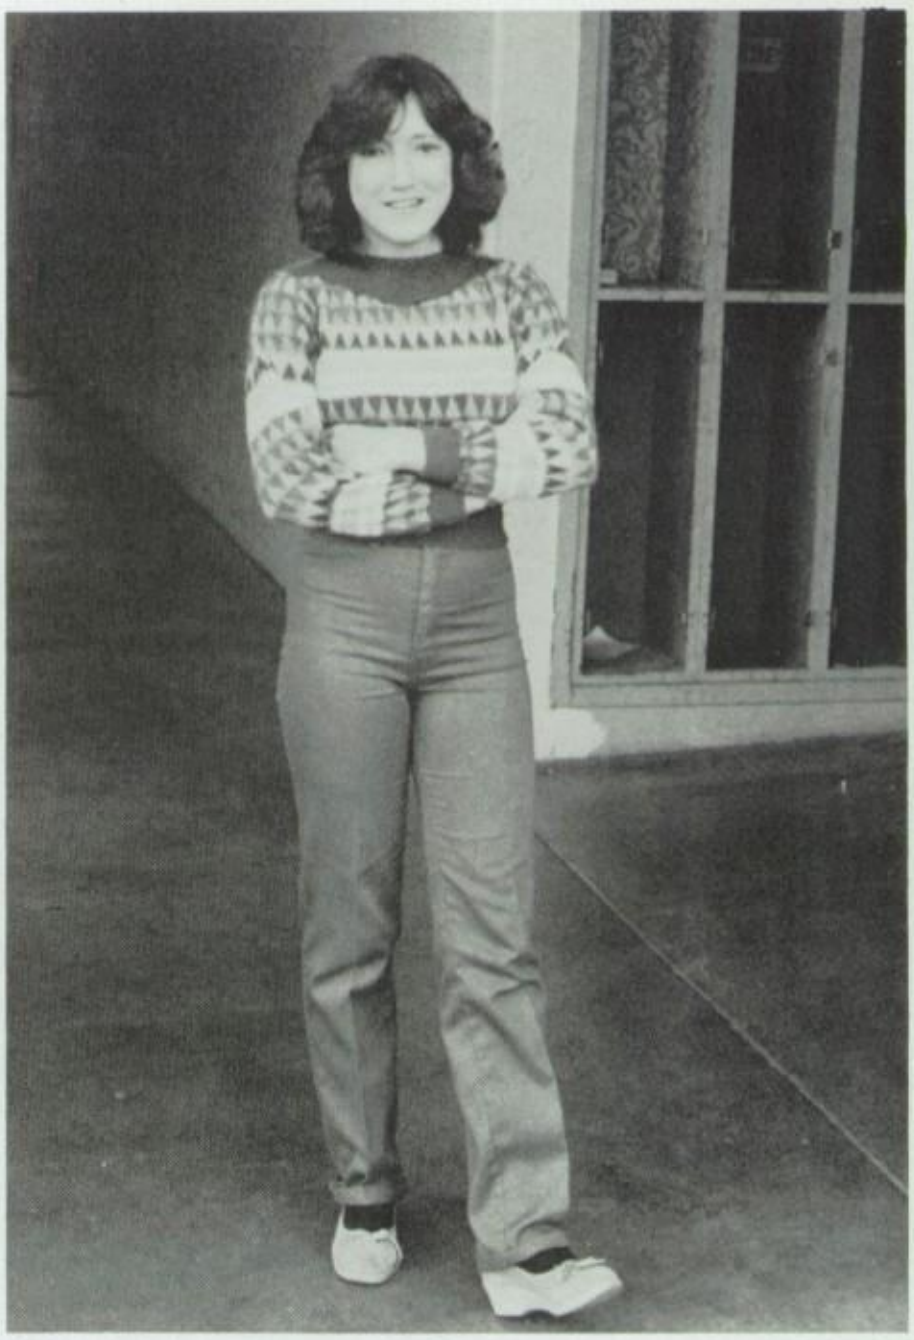
are those minute particles, (smaller every year) that decompose in various time spans to evolve into seniors. They are so paranoid that their brushes are permanently fused into their chocolate covered fingers. These disillusioned little tikes dream of being astro-physicists and they're really only taking up space. They wear out two bicycle tires a month (four for freshmen) due to the intense speed at which they race home so as not to miss any of the Scooby & Scrappy Doo Show.



TOP LEFT: "I wish she would put her arms down!" TOP RIGHT: "I have no locker and I think I'm lost." MIDDLE LEFT: Ursula Wells decides whether or not to accept classmate's offer. MIDDLE RIGHT: "Dear Harold. . . " BOTTOM RIGHT: "What are you looking at?"

Freshmen

The Freshmen Class, led by president Craig Stewart, showed a great deal of spirit, unity and maturity throughout the year. Along with placing an impressive second place in the annual Spirit Week, the freshmen raised money with activities such as candy and magazine sales. Furthermore, the class arranged a jog-a-thon in hopes of getting participation from other students. Stewart attributes much of their success to "the cooperation and wonderful help given" by fellow officers; vice-president Anne Blackshaw, treasurer Hans Gaus and secretary Joey Mercado (all pictured at left).

Sophomores

Led by president Dante Truitt (second row center), the Sophomore Class showed what unity and organization could accomplish. With the help of vice-president Ricky Martinez (first row), secretary Amy Huerta (second row left), treasurer Amy Ishiguro (second row right) and various class council members, the Class of '82 had many successful activities and fundraisers to add to the savings for their prom. Some of their more profitable sales were shoelaces and valentine messages. Various raffles and a Valentines Day Dance added to the enthusiasm shown by the sophomores.

JUNIORS

The Junior Class, led by Peter Blackshaw, had one of its most lucrative years. They had many fundraisers, a few of which were the Rolling Stones Concert ticket raffle, the magazine sale and a parking space sale. The highlight of the year was winning the Spirit Week Contest during first semester. The class officers were Lisa Ellis, vice-president; Shandrea Gilchest, treasurer; Bonnie Pais, secretary; and Peter Blackshaw, president, (see picture). "Although we've raised quite a bit of money, this year has been fairly kick back; we've tried to be unique," Peter Blackshaw said.

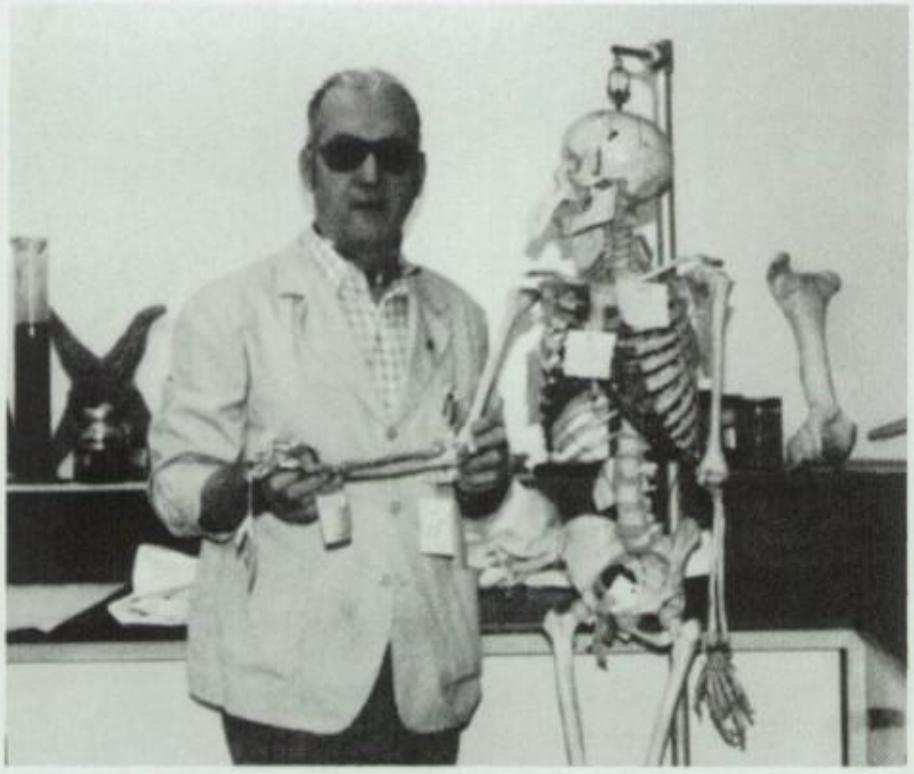
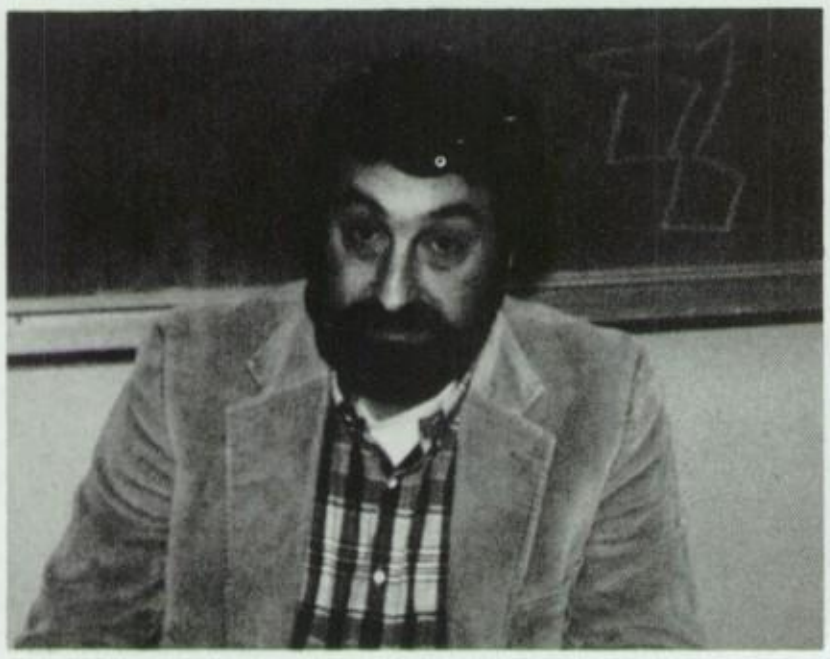
Underclassmen . . .

TOP LEFT: . . . never stop talking. TOP RIGHT: . . . get up on the wrong side of the bed. BOTTOM LEFT: . . . never dress for the weather. BOTTOM RIGHT: . . . come in assorted sizes.

TOP LEFT: . . . despise gym. TOP RIGHT: . . . enjoy new experiences, like copy machines. BOTTOM LEFT: . . . have the music in them. BOTTOM RIGHT: . . . yearn for authority.





FACULTY . . .

are those scheming, underhanded deviates who faithfully assign irrelevant study material that they would never do in a million years. Pasadena High's archaic collection of textbooks that are wired for sound drink so much coffee that they constantly act like freshmen. Sacrilegiously after each faculty meeting they all sadistically assign 21 chapters in a 20 chapter book. The grandest thing they seemed to have established is their notoriously fashionable dress code, which includes fruit-striped ties, checkered pants, and white plastic go-go boots.

FACULTY AND ADMINISTRATION SPEAK OUT

This year's yearbook staff contacted all the faculty and administration at PHS and asked them about their views on our theme: "Yesterday is only a dream; tomorrow, only a vision."

Many of the faculty members had unique feelings and remembrances of this year and their years here at PHS. We also noticed that the faculty was as proud of PHS as we all are.

"I am most proud of the class of '82 and the various records they have achieved. They have weathered the rigerous attendance and tardy regulations and I'm sure they are better persons because of it. The class of '82 helped to establish an atmostpher of seriousness toward learning and a feeling of courtesy and friendiness at PHS."

"The future looks bleak because there are too many students who do not learn simply because they are not clear about what they are working for. Education is not something that just happens in the head, but it involves one's entire environment. It is the ability to intelligently adapt and win at the crucial game of life."

Arthur Jackson

"In order to succeed a person must be willing to first set a goal worth reaching. To reach it, one should be prepared to give up doing some things he wants to do for things he has to do. Only in this way, with hard work and belief in ones goal, can success be attained."

We, the Associated Student Body Cabinet, wish to thank you, the students, for making the 1981-1982 school year a success. Because of your participation, the Homecoming Dance, Spirit Week, and the Turkey Tussle were events we all shall remember.

Throughout the year the Cabinet tried to serve the entire student body better. More assemblies, lunchtime entertainment and the new senior parking lot are examples of how Cabinet responded to student needs.

The Cabinet also wishes to congratulate the Senior Class on a successful year. A new life and new experiences lie ahead for you. Best wishes to all in the years to come!

Sincerely,
The ASB Cabinet
